Footnotes:
(1) This is the title, and first few words, of a song by the 5th Dimension: Good Morning Star Shine. Over the last few months, I have awakened at times with certain lyrics from old songs on my mind, or that come to me as I'm making the bed, or driving from the house. Some I've not thought of in years. I thought it was a happenstance of my mind, until recently. I have come to know it's of his origin; speaking and singing to me, certain lyrics of old songs! It's amazing. I didn't remember any of the words of Good Morning Star Shine except the first phrase, and when I looked them up on the net, I just smiled.
